Dear Families,

I hope you are well and enjoying the autumn term.

Our School Leadership Team have listened carefully to our parents and have organised a new timetable for our nursery children. Alongside this, we have evaluated our nursery costings to ensure that they are best value and also ensure sustainability for us.

Our revised nursery hours will be for any existing parents who would prefer this or anyone who is new to our school. For those of you who are happy with the existing hours, we will honour the times that you have got now. One of the key changes, and has been a clear message from our families, is that the afternoon sessions will be 12:25-3:25pm so that all children across both schools finish at the same time.

Please see the information table below. If you have any queries, please speak to a member of staff.

<b>2yr olds (nappies and wipes are not included in costings)</b>		
<b>Full day</b>	8am-6pm	£47
